2 Action

A

State Office Action

State Offices shall:

- immediately review their ECP ledgers and verify amounts needed

Note: Any funds not needed in the State or County Office for the disaster for which they were originally allocated should be returned to the National Office as soon as FSA-357 is received in the State Office.

- immediately notify Ilka Gray at the National Office, by either of the following, of any available ECP funds:
 - FAX at 202-720-4619
 - e-mail at **ilka_gray@wdc.usda.gov**

Notes: FSA-357 shall be processed accordingly.

A recent review of 305 ledger reports indicates ECP funds are available on ledgers. **Remember that ECP funds are only authorized for use for disasters for which they were originally allocated.** ECP funds cannot be used for any other disaster or purpose; therefore, no reserves shall be set up in State or County Offices in anticipation of any future usage.

- as soon as practicable, remove ECP funds from the State ledger when FSA-357 is received in the State Office.

- review ECP ledgers and notify the State Office as to funds no longer being needed for the disaster for which they were originally allocated
